Re: Brian Williams Memorial Scholarships

Dear Mr. Holmes,

It is with much surprise and appreciation that I accept this wonderful gift of \$1,225 in memory of Dr. Brian Williams. This will be very helpful in reaching my future goals.

My life has been full of sports, namely, basketball, volleyball, soccer and rugby. This year has been a complete focus on rugby. Some very exciting opportunities have come my way recently, one, being asked to play for the Canada Development team in Uruguay earlier this month, and, more recently, being asked to play for Team Canada in New Zealand and Las Vegas next month for the International Rugby 7's World Series. My family and I are very excited.

Attending the University of Victoria has been a fabulous experience so far. At this time I am taking general courses and will be focussing on a sports related career.

Again, thank you so much!

Sincerely,
